"The unexamined life is not worth living"
----Socrates

The Staff of the 1961 Bulldog takes pride in presenting this yearbook to you as a record of the 1960-1961 school year. Upon graduation and promotion from one grade to another one's thoughts naturally turn to the future, but the future is merely the result of the past and present. Socrates once said, "The unexamined life is not worth living." With this thought in mind all those who helped put this yearbook together hope that the 1961 Bulldog will often be an object of reflection, and that in the years to come it will bring back many happy memories.

Dedication

The senior class of 1961 takes pride in dedicating this yearbook to Robert Saxton. Mr. Saxton teaches eighth grade geography, science, and English III. A graduate of Lock Haven State College and Pennsylvania State University, he possesses an elementary education certificate, Bachelor's and Master's Degrees.

Mr. Saxton is a man of varied interests. His hobbies include gardening and stamp collecting, and he enjoys reading practically all types of writing. Always interested in furthering his own education, he has taken supplementary summer college courses almost every year since he began teaching. Because he enjoys being outdoors many summer courses have included forestry.

Mr. Saxton demonstrates his very high ideals of education in all his classes. He is fair-minded in dealing with his students, and anxious to help and encourage any student who is sincerely interested in learning.

We thank you, Mr. Saxton, for all the help and advice you have given us during our high school years.

WILLIAM B. McKEE--Supervising Principal

Seniors, My Most Sincere Congratulations:

By this time, the apron string is either broken, or it is stretched to the breaking point. You stand on your own, your decisions, yours alone. No one is perfect (thank goodness), so you'll naturally make some real bloopers. But if you maintain for fellow men, and continually strive to recognize truth, life will be worth living.

> To know fear--yet to be brave--is the measure of courage;
> to be brave, without misgiving, is the stature of a fool.
>
> The conquest of hidden fear and self doubt is the mightiest
> conquest of all.

I wish you the very best in all things.

ERWIN WEBER

Thanks to the American Field Service and the people of Wesleyville, the Class of '61 had the pleasure of including Erwin Weber among its members. Erwin came to us from Zurich, Switzerland. During his stay here he made his home with his American parents Dr. and Mrs. John F. Harkins.

In Switzerland Erwin had attended a commercial school. He plans either to become an accountant or to work in an import-export office. His shrewd, analytical mind should carry him far in the business world.

This past year Erwin's scholastic schedule included: P.O.D., U.S. History, English 3, English 4, Public Speaking, and Bookkeeping. His favorite subject was U.S. History. He was a member of the Senior Chorus and the Junior Varsity Basketball Team. Also, he proved himself as an actor when he played the role of a Roman soldier in the Senior Play.

A credit to his native country, Erwin has given the students of Wesleyville High School a better understanding of the people, customs, and government of Switzerland.

We hope that Erwin will remember his American friends as fondly as we shall remember him.

Mrs. Helen Hough

IN MEMORIAM

Mrs. Helen Hough, one of the most beloved of all teachers, passed away January 5, 1961. We will always remember her for the teaching and guidance she gave us during our grade school years.

Always a very active person, Mrs. Hough had many loves and talents. She took the dullness out of school work by initiating many new projects such as making favors for the Sarah Reed Home, making bedside gardens for shut ins, and having tureen dinners for her students. She made arithmetic more interesting by setting up a play grocery store in her room.

Very active in educational organizations, Mrs. Hough was a life member of the National Education Association and a representative at two national conventions, in St. Louis, Missouri and Cleveland, Ohio.

She was president of the Erie County, Area IV, Pennsylvania State Education Association. Another honor bestowed on her was life membership in the Parent Teachers' Association.

Every student and faculty member will miss this wonderful person, who contributed so much for the betterment of Wesleyville School.

Resolved: That the United Nations should be significantly strengthened, was the 1960-61 debate topic.

The season opened in February and league debates were scheduled with Erie Academy, Girard, Harborcreek, Lawrence Park, McDowell, and North East.

Affirmative speakers were: Sondra Ott, Marilyn Nielsen, Sandra Bell, Janice Hatheway, Norma Sandell and Richard Siciliano.

Negative speakers were: Phyllis Burke, Damon Peterson, Beverly Thomas, Elaine Jeffery, Paula Bloomquist, and Margaret Anderson.

The season ended in the spring with the formal dinner and debate. The speakers were the best debaters from each of the member schools of the Lake Erie Debate League.

The Student Senate is the legislative body of Wesleyville High School. Its members include four representatives from the senior class and three representatives from the freshman, sophomore, and junior classes. Under the supervision of their advisor, Mr. McKee, each student senate member votes in accordance with the views of his own class.

Activities of the student senate include: raising money for the A.F.S., inspecting lockers, selling stocks to support the exchange student, arranging for the seniors' running of the borough and many other activities that come up during the year.

1960-1961 officers were: President--Damon Peterson, Vice-President--Pat Renshaw, Secretary-Treasurer--Jane Minor.

W Club

The "W" Club is one of Wesleyville's oldest organizations. It is composed of the athletes who have earned letters for basketball and football. This year the fellows worked very hard in order to purchase jackets for its eight seniors. They had a car wash at the Sunoco Gas Station and a spaghetti dinner, with the help of the Whams Club, at the Boro Hall. The "W" Club is supervised by Coach, Jim Manafo.

Majorettes

KNEELING: M. Coburn, M. Hendrickson, C. Armour, K. Rutkowski, STANDING: L. Adams, N. Sandell, B. Lahman, P. Bloomquist, D. Double.

The Majorettes are one of the more decorative organizations of the school. Their smart routines embellish most of the home basketball and football games. Under Cathie Armour, head majorette, the girls practice many long hours to perfect their twirling ability.

The Cadets, the school's newest organization, was just formed this past year. Under the guidance of their sponsor, Mrs. McLane, the girls have learned marching techniques and have developed many original routines. They have entertained at assemblies and basketball games. The girls have put a lot of work into this organization by practicing Monday nights and Tuesday afternoons, and making all their own uniforms.

Cheerleaders

Varsity: KNEELING: D. Southward, M. Macurdy, M. Nielsen. STANDING: B. Franos, N. Shemloff, D. Pokosh.

Selected for their ability, pep, and enthusiasm, the cheerleaders inject school spirit into pep assemblies, football games, and basketball games. They practice their routines at least once a week during the summer, and twice a week during school.

To raise money the cheerleaders had a door-to-door campaign for donations during the summer and sold refreshments at the football games and pennants at the basketball games.

The head-cheerleader was Nancy Shemloff and assistant-head Delona Pokosh. The cheerleaders' advisor is Mrs. Jones.

The Library Club is made up of students from the sophomore, junior, and senior classes. The members serve as library assistants and assume the many duties associated with library work. During the year the members raise money by bake sales, club dances, the sale of different items, and by the payment of club dues. An outstanding event of the year takes place at Easter time when the club visits a children's home. Easter baskets are filled by the club members for the children. Library pins are awarded to the senior members who have served two years or more in the club. Books or library materials for the library are purchased with any remaining funds at the end of the year.

Stage

The stage crew is a group of boys who take care of props, curtains, lights, sound effects, etc. for our school stage. They erect scenery and generally do the so called "dirty" work and "cleaning" work for our stage productions. The group has neither formal organization nor regular meetings. They are activated only when there is a specific need for their services.

The projectionists are a small group who take care of the school's audio-visual equipment. They operate movie projectors, opaque projectors, film strip and slide projectors and tape recorders. They also care for our public address system. Here too, there is no formal organization nor regular meetings.
